

# Architectural Request FAQ's

1. All inquiries about additional outdoor structures (such as fences, outbuildings, roofing shingles, siding, satellite dishes, etc.) must be submitted in writing and approved by the Architectural Committee. See form. Send all plans with dimensions to:

Silverleaf Homeowners Association  
2434 Hudson Road Box #124  
Greer, SC 29650

Alternatively, you can submit your request online at:

[www.silverleafgreer.com/community/committees/architectural](http://www.silverleafgreer.com/community/committees/architectural)

2. All requests will be recorded and forwarded to the committee. Upon review by the committee and the association, the Architectural Chair Person will notify the homeowner involved. Realtors should distribute restrictive Covenants and Homeowners Association By-Laws for the subdivision as homes are sold. If any resident has not received a copy of the by-laws and or restrictive covenants, please contact the secretary of the Homeowners Association or any board member.
